CVD Clinical Audit: Expression of Interest Guide

Overview

Gold Coast Primary Health Network (GCPHN) invites Gold Coast GPs to express interest in a funded clinical audit opportunity. Participating GPs who complete the clinical audit will be eligible for **12 CPD hours** and a **$500 payment** (paid upon receipt of proof of completion). The clinical audit must be completed by **16 December 2026** to receive the payment. To receive payment, GPs must submit the tax invoice and attach their GP Evidence Booklet (including completion of the required pre- and post-audit surveys) as proof of completion.

What's in it for me?

- **Earn** 12 CPD hours (Professional Development) and contribute to meeting the 50 hours of CPD required before December 2026.
- Receive a $500 payment on successful completion of the GP Evidence Booklet (supplied).
- Support improved patient care through evidence-based CVD risk assessment and management.
- Identify care gaps quickly using your practice data.
- Complete a low-burden, clinically relevant audit aligned to everyday practice.

Terms and conditions

Eligibility: Applicants must be registered medical practitioners practising on the Gold Coast.
Commitment: 12 hours to complete all clinical audit requirements.
Timeframe: The clinical audit must be completed by 16 December 2026.
Incentive payment: The $500 incentive will be paid once completion is verified and a tax invoice and proof of completion have been received.
Surveys: Complete the required pre-audit and post-audit surveys
Limited places: Places are limited. Submitting an EOI does not guarantee selection.
Withdrawal: Participants who withdraw before completing the audit will not be eligible for payment.
