hello home doctor SERVICE

Better Connection. Better Care. | *Nationwide*

WHO WE ARE

Hello Home Doctor Service is a fully accredited Medical Deputising Service provider.

Our service provides comprehensive after-hours medical care, delivering visiting Doctors directly to patients in their homes and to residents in aged care facilities.

Owned and guided by practising Doctors, our service is built on clinical excellence, ongoing improvement, and strong support for the medical professionals who work with us.

WE ARE THE HEART OF DEPUTISING

Hello Home Doctor Service

AFTER-HOURS COVERAGE & SHIFT OPTIONS

Hello Home Doctor Service provides comprehensive after-hours care, ensuring patients have access to medical support when they need it most.

Our service operates during the following hours:
- Monday to Friday: 6:00 PM – 8:00 AM
- Saturday: 12:00 PM (noon) – 8:00 AM
- Sunday and Public Holidays: 24 hours

These hours offer full after-hours coverage and a variety of shifts to suit your lifestyle.

Shift Types Include:
- On-Road: Home visits for private patients and aged care residents
- Telehealth & Greenroom: Remote consultations for private patients and aged care residents
- Additional Option: After-Hours Clinic shifts at Blackstone, QLD 4304

Our flexible model allows doctors to choose shifts that align with their schedule, maximise earnings, and provide meaningful patient care.

FIXED ROSTER / FULL TIME DOCTORS

In collaboration with our team, create a fixed roster each week. Secure your shift and provide availability in advance based around your work and family commitments.

Type of shifts:
- Weeknight shifts start from 5 hours
- Weekend shifts start from 6 or 8
- Maximise your income with split shifts on weekends/public holidays

YOUR WEEKLY FIXED ROSTER, YOUR WAY

Collaborate with our team to establish a consistent weekly schedule that suits your lifestyle. Secure your shifts in advance, with a range of options available.

PART-TIME / CASUAL ROSTER

Don't want to commit to a fixed roster? Then PT/casual shifts are ideal. This option is flexible and allows doctors to complete as little as 1 shift per week or as many as you are willing to undertake.

Type of shifts:
- Flexible weekend shifts working the hours to suit you
- Flexible week nights from 6pm
- Maximise your income with split shifts on weekends/public holidays

CASUAL WORK, TOTAL FLEXIBILITY

Prefer not to commit to a fixed roster? Our casual shifts offer complete flexibility, allowing you to work the hours that suit your schedule.
Choose from a variety of options to suit your schedule.

TELEHEALTH

Telehealth is available for our patients where clinically appropriate and subject to regulated criteria.

Telehealth shifts are available for residential and aged care facility patients through our GreenRoom.

Doctors have the flexibility to choose from a weekly or monthly schedule of available shifts provided by our rostering team.

TELEHEALTH & GREENROOM – DELIVER CARE ANYWHERE

Telehealth consultations are available for patients where clinically appropriate, in line with Services Australia AMDS regulations and Telehealth guidelines. This option allows you to provide high-quality care remotely, offering flexibility while maintaining excellent clinical standards.

Our telehealth consultations are conducted by phone or video, using our dedicated Doctor App with video capability.

Greenroom Telehealth is a specialised program designed for regional aged care patients. Each booking is triaged by our experienced RNs, ensuring clear communication and faster, more focused care. Our nurses handle ID checks, medication charts, and documentation, reducing administrative tasks so you can concentrate on patient care.

24/7 SUPPORT & INDUCTION

At Hello Home Doctor Service, you're never on your own. Our 24/7 contact centre and dispatch team provide round-the-clock support. We offer comprehensive assistance across practice management, HR, care coordination, business development, and clinical mentoring. All doctors begin with a thorough induction covering everything from IT systems to clinical protocols, ensuring you start with confidence and can focus on what matters most—patient care.
