VR GP | 70% of Billings | Brisbane North

A highly regarded bulk billing practice in Brisbane's northern suburbs is seeking a VR General Practitioner to join their friendly and supportive team.
With growing patient demand and excellent clinical support, this opportunity is ideal for a GP seeking flexibility, strong earning potential, and a collaborative working environment.

What's on Offer?

- 70% of billings
- Income guarantee of approximately $200 per hour to $230 per hour
- Flexible full-time or part-time arrangements
- Immediate patient demand
- Established Bulk billing model
- Supportive and experienced team environment

Clinic Highlights

- Bulk billing family practice
- Nurses on-site
- Modern treatment room with three beds
- On-site pathology services
- Strong administrative support

About the Practice

The clinic has built a strong reputation within the local community for delivering high-quality family healthcare across all age groups. Located within a thriving NSW Yamba suburb, the practice provides comprehensive general practice services and offers a welcoming environment for both patients and practitioners. The clinic is committed to supporting doctors to build a sustainable and rewarding practice.
Requirements

- FRACGP or FACRRM
- Unrestricted AHPRA Specialist Registration / AHPRA Specialist Registration
- Eligibility for a Medicare Provider Number

Whether you're looking for a full-time position or would prefer to commence on a part-time basis while building your patient base, we'd love to hear from you.
