KALWUN COVID-19 RESPIRATORY CLINIC
NOW OPEN AT NERANG

Kalwun has established a COVID-19 Respiratory Clinic at Nerang for the sole purpose of COVID-19 testing.

If you have symptoms including a fever (above 38 degrees), cough, shortness of breath or a sore throat, you should be tested for COVID-19.

Patients eligible to attend the Kalwun COVID-19 Respiratory Clinic include:

- all Aboriginal and Torres Strait Islander people and their immediate families
- non-Indigenous vulnerable people including:
  - » people aged 70+
  - » pregnant women
  - » children aged under 12 months
  - » people being treated for a chronic disease
  - » people who are immunocompromised

14 Nerang Street, Nerang

Phone 0455 026 553

Open **Monday to Friday, 8.30am – 4pm**

Please phone the clinic prior to attending
