on syphilis in
pregnancy

TRUE RELATIONSHIPS AND
REPRODUCTIVE HEALTH PRESENTS:

Antenatal Sexual health Kit (ASK)

Education for antenatal service providers

The **Antenatal Sexual health Kit** provides education about the Queensland Syphilis in Pregnancy Guideline, sexual health assessments and partner notification in a maternity context.

The ASK includes:

- **45min webinar** and additional 15 minutes discussion
- **Online** training modules
- **Podcast** series
- **Online** forum
- **Online** resource hub

Who should attend?

The ASK is for healthcare providers delivering maternity services in and with Queensland public hospitals and clinics, including midwives, practice nurses, GPs, PHU staff and ACCHSs.
