Child and Adolescent Clinical Psychologist – Tweed Health for Everyone

Tweed health for Everyone is a long-standing Medical Practice with deep roots in our local community of Tweed Heads South.

With strong team bonds, extensive knowledge, support and experience within our broad team of 27 Doctors, 15 Allied Health providers, nursing, reception and administration staff.

We are seeking part time Child and Adolescent Clinical Psychologists to work 2-4 days a week to help fill the increasing need in our community.

Applicants must have the following:

- Registered Clinical Psychologist
- Current registration with AHPRA
- Experience in delivering individual therapy
- Work well within a multi-disciplinary team

If you are passionate to become involved with a fast moving, forward thinking practice we would love to hear from you.

In the first instance, Please send your resume, stating qualifications and work related experience to; Alana.flohr@thesc.com.au

Thank you
