

Child Protection: Responding to vulnerable children and families

Project ECHO network

Join this free, interprofessional community of practice led by an expert panel:

Dr Jan Connors – Medical Director, Child Protection & Forensic Medical Service

Renae Majcen – Program Manager, CPFMS

Stephanie Ernst – Child Protection Liaison Officer, CPFMS

We welcome child protection advisors, child protection liaison officers, paediatricians, social workers, general practitioners and other primary care providers to participate in this innovative and interactive learning network.

Tuesdays 12pm – 1:30pm, every 4th week of the month
23rd March – 22nd June 2021

Attendance at regular Zoom sessions is encouraged. All you need is an internet connection, webcam and a preparedness to contribute ideas and your own de-identified cases to the discussion.

Every session will include a case discussion, and short presentation on topics including:

- Children and domestic violence
- Medical neglect and induced illness
- Interviewing and information gathering in the context of allegations of harm
- Sexual assault
