RE: Expression of Interest for

- House Doctor positions
- Senior House Doctor position

Dear General Practitioner

We would welcome any expressions of interest from General Practitioners to support our in-house doctor service. GP's are offered a generous retainer of \$110 per hour, in addition to 60% billings. We are flexible with hours, with the shift coverage currently 1000 – 2200hrs Mon – Fri and 1200 – 2000hrs Sat and Sun.

Our House Doctors work autonomously providing a ward-call service to all inpatients with the support of our Emergency Specialists and Intensive Care Specialists.

We are also seeking an expression of interest for a **Senior House Doctor** to assist in the overall management of the House Doctor service.
