

Let's Talk: Brain & Spine

*A Practical round-table discussion
for GP's*

On behalf of Gold Coast Private Hospital, please join us for an educational round table dinner meeting. GPs can self-record 2 hours EA (Educational Activity hours) with their respective colleges. GPs will have the opportunity to meet all presenters in an informal setting where you will get to know the specialists, their areas of special interest, discuss their nominated topic while enjoying a three course dinner and refreshments.
