Wound Management Training for Nurses in General Practice

Gold Coast Primary Health Network in partnership with Yelland Medical invites registered and enrolled nurses working in general practice to participate in wound management training.

Saturday, 25 November 2023

8:30AM - 4:30PM | Gold Coast Primary Health Network, 14 Edgewater Court, Robina, QLD.

Morning tea, lunch and afternoon tea will be provided. For catering purposes, please register your attendance.

It is anticipated participants will gain knowledge in:

- Overview and impact of chronic wounds
- Phases of wound healing
- Wound bed preparation using TIMERS
- Infection/Aseptic technique
- Wound assessment including pathways and guidelines
- Clinical documentation of wound assessment and management
- Investigative tools available for use within practices
- Compression therapy including theory and practical application
- Assessing and managing specific wound types e.g. Neuropathic, Venous and Pressure
- Advanced therapies including negative pressure and wound products
- Skill acquisition including Ankle Brachial Pressure Index, debridement and compression therapy

Facilitators:

- Nicola Morley | Vascular Nurse Practitioner
- Dr Stephen Yelland | General Practitioner
