An Update in Cancer Care for GPs

Education for General Practitioners

Saturday 18 November 2023
8:10am – 4:30pm

Venue Sheraton Grand Mirage
Seaworld Drive, Main Beach Gold Coast

8:10am – Registration

8:30am – Presentations commence

4:30pm – Close

The aim of this program is to equip general practitioners with the necessary knowledge, skills and resources to provide comprehensive and up to date cancer care to their patients. Delegates will understand the latest advancements in cancer diagnosis, management and treatment enabling them to provide accurate and timely referrals to specialists when necessary. By achieving this GPs will be better equipped to provide comprehensive care, patient centered, and evidence based cancer care and ultimately improve patient outcomes.
