

## Gold Coast Mental Health Symposium

Thursday 30th May 2024

9.00AM - 4.30PM | Southport Sharks

A great opportunity for people with an interest in mental health, drug and alcohol and suicide prevention and people with lived experience to come together to highlight local achievements and sector updates, connect with colleagues and network across the sector, provide input on local needs, and shape future services.

### Topics:

- Joint Regional Plan – Mental Health, Suicide Prevention, Alcohol and Other Drugs Services
  - Recent highlights on the journey, including Bilateral Agreement and Better Care Together innovation
  - Next steps for the Joint Regional Plan
- Consumer experience and outcomes
  - Local providers leading innovative strategies to capture and embed consumer experience and outcomes to drive consumer-centred services
  - Scoping how we could build on local initiatives and the value of a regional approach
- Planning for new Gold Coast community mental health and AOD models
  - Hear from Queensland Alliance for Mental Health and other innovative thought leaders
  - Co-design key components of new local models
