Navigating the complexities of the brain and spine Neuroscience Masterclass for GPs

Saturday 2 - Sunday 3 March 2024
8.15am-3.30pm 8.30am-1.00pm

Venue Elements of Byron – 144 Bayshore Drive, Byron Bay NSW 2481

Day 1

8:15am – Registration
9:00am – Presentations
3:30pm – Close with canapés
and refreshments

Day 2

8:30am – Registration
9:00am – Presentations
1:30pm – Close

Join us for a 1.5-day masterclass tailored exclusively for General Practitioners eager to expand their expertise in the practical management of brain and spine conditions.

During this comprehensive program, you will refine your diagnostic skills and gain a profound understanding of neurological conditions. Engage in MDT panel discussions featuring intriguing patient cases and explore how these cases can enhance patient care.

After an enriching first day, we invite you to unwind and network with our esteemed presenters at a complimentary 1-hour canapé event. Partners are welcome, but space is limited, so please RSVP promptly to secure your spot.

DAY 1: Case-based presentations and discussions with Q&A

- **Population-based study of cerebral aneurysms in Gold Coast and Northern Rivers:** A retrospective analysis of a 10-year database of consecutive cerebral aneurysms
Dr Lee Yang, Neurosurgeon
