# Advocacy for GPs on the Gold and Tweed Coasts

- Gold Coast
  - Cross-Promotion of Health Pathways to allow access to both Northern NSW health pathways and Gold Coast Health Pathways.
  - Improve QLD Health alerts to GP's
  - Mapping current referral pathways to identify gaps and areas of improvement
- Tweed Coast
  - Healthy North Coast
  - To ensure GPs in Northern NSW and Tweed Heads have access to essential referral pathways.
  - To enhance communication and collaboration between primary and tertiary care providers across the border.
