

Cultural Awareness Training

Turning good intentions into culturally safe practice

Training will cover:

- Developing culturally safe practice
- Historical impact on engagement
- Opportunities and barriers
- Current incentives for GP practices
- CTG initiatives support available
- CCHS's: IUIH Model of Care
- Barriers: access, engage, follow-up
- Completing an external Audit (PDSA Plan, Do, Study, Act)

Completion of this training meets the Practice Incentive Program (PIP) Indigenous Health Incentive Requirement. Additionally, IUIH now has the availability to facilitate RACGP accredited in-house TGIICS training.

Completing an external Audit (PDSA - Plan, Do, Study, Act) contributes 5 CPD Measuring Outcome hours, forming a package of the total advertised CPD Hours.
