

An Australian Government Initiative

Gold Coast Primary Health Network CLINICAL PLACEMENTS

Invitation to host Medical and Nursing Students

Medical Student Placement Program

Medical Student Placement Program

We commenced recruitment for the 2025 Medical Student Placement Program at the beginning of September. There has been a great uptake again this year with repeating GPs and new GPs joining the program. We have almost finalised Final Year student placements for 2025 however we are still seeking new GPs to support with the Introductory years.

Griffith Introductory Years 1 & 2 Placements

3-week placement – 1 day per week (min 2 sessions per day, 3 hours per session)

Bond Year 3 Placements

3-week placement – 1 day per week (min 2 sessions per day, 3 hours per session)

We continue to recruit throughout the year, and we encourage GPs with desire and capacity to participate to register availability to assist in 2025.

Nursing Student Placement Program

Nursing Student Placement Program

We commenced recruitment for the 2025 Nursing Student Placement Program at the beginning of October. Initial numbers at the end of week 1 are pleasing however with the continued growth of the program we are seeking to recruit additional RN Preceptors in 2025 and encourage any RNs with willingness & capacity to register availability to participate.

Griffith University Year 2 & 3 Nursing students undertake 2-to-4-week placements with learning focused on a variety of areas including:

- Community Nursing
- Clinical Decision Making
- Acute Medical and Surgical

Southern Cross University Masters, 2 & 3 Nursing students undertake 3-week placements with learning focused on a variety of areas including:

- Chronic Health
- Building healthy Communities
- Nurse Practice
