

This event is delivered by Gold Coast Health in partnership with the Gold Coast Primary Health Network.

Respiratory Update: General Practice Education Event

Join your colleagues & health service clinicians to discuss respiratory health.

The following topics will be presented:

- Assessment of patients with COPD, performing spirometry and interpreting spirometry
- COPD severity classification and management recommendations
- Pulmonary rehabilitation and non-pharmacological intervention
- Rationalising inhaler therapy
- Prevention of hospital admissions and management of acute exacerbations.

A Certificate of Attendance will be provided for clinicians after the event to self-record CPD activity.
