

The Australian Immunisation Register (AIR)

Print proof of vaccinations from the AIR site

You can print immunisation history statements from the AIR site.

It's easy to access proof of vaccination from the AIR site for all individuals, including those who are not eligible for Medicare.

- From the **AIR site main menu**, select **Identify Individual**.
- Search for the individual using:
(*only one identifier search is required*)
 - Medicare card number and Individual Reference Number (IRN)
 - Individual Healthcare Identifier (IHI)
 - combination of an identifier and Personal Information
 - Personal Information only.
- To download an immunisation history statement:
 - go to the **Immunisation Details** banner
 - under **Immunisation History** select **statement** type
 - select **Generate PDF**.
- To print an immunisation history statement:
 - select the **printer icon** in the PDF to print.

Immunisation history statement - includes all immunisations recorded on the AIR.

COVID-19 and influenza immunisation history statement - displays only COVID-19 and influenza vaccinations.

If a **medical contraindication** is recorded on the AIR, it will display in the immunisation history statements.
