

This event is delivered by Gold Coast Health in partnership with the Gold Coast Primary Health Network.

Alcohol & Other Drugs Update: General Practice Education Event

Join your colleagues and health service clinicians for an update on Alcohol & Other Drugs management.

The following topics will be presented:

- The Gold Coast context, data, demographics, and substances of concern locally
- How to recognise problematic substance use: GP identification tool
- How to support the patient with problematic substance use: public, private and NGO support services including support for carers and family
- Opioid treatment program – the role of the GP
- Alcohol detox management - the role of the GP and higher level support
- Panel discussion – AODS Services
