

This event is delivered by Gold Coast Health in partnership with the Gold Coast Primary Health Network.

Pain Update: General Practice Education Event

Join your colleagues and health service clinicians for an update on Pain management.

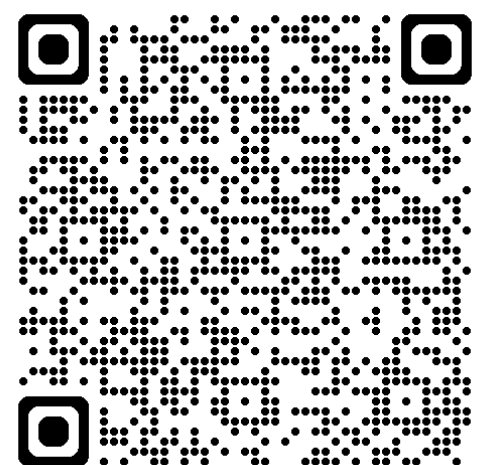

The following topics will be presented:

- What can the IPPC do for you and your patients?
- Chronic pain patients are hard to manage – what can I do as a GP?
- Prescribing and Procedures and when to reach out for help?
- How can Allied Health help and how do I know if my patient is getting appropriate care in the community?
- Persistent pain support services and resources for GPs and patients
- Looking into the future – innovation in pain management – Virtual reality.
