

You're invited

Grace Private Presents: NIPT Current Practice and Controversies

A discussion targeted to GPs who care for
Obstetric patients.

Together with Dr Adriana Olog, we are excited to present a GP education session specifically designed for those caring for pregnant women. Dr Olog will be covering all aspects of NIPT (non-invasive prenatal testing) providing GPs with relevant knowledge and practical skills to support the management of obstetric care in general practice.

Wednesday 6 August 2025

6:00pm (arrival) for 6:15 pm – 9:00pm

Georges on Sorrento | 2/20 Bundall Road, Bundall, QLD 4217

Includes three-course dinner, refreshments & parking

Presenter & Objectives:

Dr Adriana Olog

Maternity Foetal Medicine, Obstetrics

- NIPT principles and key points
- Current practice and types of screening options
- Current recommendations
- Scope of screening
- Screening for atypical/microdeletions, SCA
- Value of tertiary ultrasound assessment
- How to manage a screen positive result
- Invasive testing, type and timing

As this event is specifically targeted to GPs who care for obstetric patients and spaces are limited, we kindly ask that you register only if this is a relevant area of your practice. Please RSVP as soon as possible to secure your place.

Please register before
Monday 4 August 2025
