

Let's Talk Wounds

WOUND WEBINAR

Skin Tears

Join internationally recognised wound care expert Dr. Michelle Gibb, Nurse Practitioner and Founder of Wound Specialist Services, for a practical, case-based discussion on Skin Tears.

Thursday 9 October 2025

2:00 PM - 3:00 PM

Online via Microsoft Teams

Topics Covered

- Risk factors contributing to skin tears
- Classifying skin tears using ISTAP and STAR tools
- Treatment approaches: cleansing, re-approximation, dressing selection and application
- Prevention strategies: skin hygiene, emollient use, protective clothing, environmental considerations, nutrition, and hydration
