

CULTURAL AWARENESS TRAINING FOR HEALTHCARE PROFESSIONALS

Turning good intentions into culturally safe practice

Join our free, fully catered training designed to enhance Indigenous access to primary care through cultural safety and awareness.

SESSION DETAILS: **When:** Saturday, 22 November 2025, 8.30am - 4.00pm
Where: TAFE Queensland Robina

WHY ATTEND?

Efficient Learning: Just 6.5 hours of training, earning 11.5 CPD hours for GPs and nurses.

Practical Insights: Develop culturally safe practices, understand historical impacts on healthcare engagement, and explore opportunities and barriers.

Meet Incentive Requirements: Completing this training fulfills the PIP Indigenous Health Incentive and includes RACGP-accredited TGIICS training.

TRAINING WILL COVER:

- Developing culturally safe practice
- Historical impact on engagement
- Opportunities and barriers
- Current incentives for GP practices
- CTG initiatives - support available
- CCHS's: IUIH Model of Care
- Barriers: access, engage, follow-up
- Completing an external Audit (PDSA - Plan, Do, Study, Act)

WHO SHOULD ATTEND?

GPs, Nurses, Allied Health professional, Specialists, Practice Manager, Pharmacies and all practice staff!
