Care that Connects

Gold Coast Primary Health Network (GCPHN) invites you to the 2026 Aged Care Symposium. Keynote speakers will explore future directions in aged care, including reform, technology, and person-centred models of care.

Join us for an inspiring day of insights, information and networking.

Registrations are open to all Residential Aged Care staff, community aged care workers, and anyone involved in supporting older people.

Symposium focus areas

- Cognitive Health & Wellbeing Across Care Settings
- Accurate Medication Management
- Escalation Pathways & After-Hours Support
- Preventing and Slowing Frailty
- Digital Transformation in Aged Care
- Hospital-to-Home Care Transitions
- Insights from Lived Experience
- From Symposium Insights to Action
