

# FIRST NATIONS HEALTH FOR PRIMARY HEALTH CARE

## Webinar

Tuesday 17 March  
2026

6:30PM - 8:30PM

Online

Gold Coast Hospital and Health Service, in partnership with Gold Coast Primary Health Network invites general practitioners, primary health care nurses and primary health care teams to explore key Gold Coast Health First Nations programs that are delivering meaningful improvements in cardiac care, chronic disease management and smooth navigation across the healthcare system. The session blends clinical clarity with cultural awareness, offering practical knowledge ready to use the next day in your practice.

### The webinar will explore First Nations Services and more:

- Better Cardiac Care
- Mungulli Chronic Disease Program
- A&TSI Nurse Navigation Service

### Hear presentations from:

- Myra Wilcock– Better Cardiac Care CNC
- Paula Rankmore- First Nations Health Equity Program Manager
- Lisa Handshaw– Physiotherapist Mungulli
- Suzie Von Einam– Clinical Nurse Mungulli
- Matt Osborn– First Nations Nurse Navigator
