

General Practice Briefing Sessions 2025/2026 webinar series

RACGP CPD Approved Activity

Queensland general practices, Aboriginal Community Controlled Health Organisations (ACCHOs) and Aboriginal Medical Services are invited to attend the PHASES Briefing Sessions. These sessions will share the key details of the PHASES project and quality improvement activities being delivered across the state.

PHASES is a statewide screening, recall and treatment initiative designed to improve the prevention and management of cardiovascular disease (CVD).
