

# CVD Clinical Audit – Expression of Interest Guide 2026

## 1. Overview

[Gold Coast Primary Health Network \(GCPHN\)](#) invites Gold Coast GPs to express interest in a funded clinical audit opportunity. Participating GPs who complete the clinical audit will be eligible for **12 CPD hours** and a **\$500 payment** (paid upon receipt of proof of completion). The clinical audit must be completed by **31 August 2026** to receive the payment. To receive payment, GPs must submit the [tax invoice](#) and attach their GP Evidence Booklet (including completion of the required pre- and post-audit surveys) as proof of completion.

## 2. What's in it for me?

- Earn 12 CPD hours (Professional Development) and contribute to meeting the 50 hours of CPD required before December 2026.
- Receive a \$500 payment on successful completion of the GP Evidence Booklet (supplied).
- Support improved patient care through evidence-based CVD risk assessment and management.
- Identify care gaps quickly using your practice data.
- Complete a low-burden, clinically relevant audit aligned to everyday practice.

## 3. Terms and conditions

- **Eligibility:** Applicants must be registered medical practitioners practising on the Gold Coast.
- **Commitment:** 12 hours to complete all clinical audit requirements.
- **Timeframe:** The clinical audit must be completed by **31 August 2026**.
- **Incentive payment:** The \$500 incentive will be paid once completion is verified (including the required pre- and post-audit surveys) and a tax invoice and proof of completion have been received.
- **Limited places:** Places are limited. Submitting an EOI does not guarantee selection.
- **Withdrawal:** Participants who withdraw before completing the audit will not be eligible for payment.

## 4. How to apply

For further information, please contact [practicesupport@gcphn.com.au](mailto:practicesupport@gcphn.com.au).

Places are limited and will be allocated in the order EOIs are received. The EOI will remain open until all places have been filled.
