

An Australian Government Initiative

APNA's Cultiv-8 Nurse Clinics Program

Applications close
20 August 2026, 5pm

"The program has inspired me to introduce many more projects to the workplace. It has also introduced me into improving my pitching and planning techniques."

8 Week Program

8 September 2026 - 27 October 2026

APNA's Cultiv-8 Nurse Clinics program, delivered in partnership with GCPHN is an 8-week program to design and plan a nurse clinic tailored to the needs of your practice community. Clinics may include Menopause, Diabetes, Cardiovascular Disease, Men's Health, Ageing Well, Wound Care, Immunisations, Child Development, Weight Loss and more.
