

Help Shape the Future of Frailty Care in Australian General Practice

Join the Frailty Primary Care Study

We're looking for practices to help co-design and test practical tools to support frailty care in primary care.

How can your practice contribute?

- ✓ Focus groups
- ✓ Co-design workshops
- ✓ Toolkit testing in practice

Participate in one or more activities.

Who can participate?

Staff from Participating Practices: GPs • Nurses • Allied Health • Pharmacists • Practice Managers • Administrative Staff

Remuneration

- GPs: \$213/hr
- Other staff: \$150.50/hr

Flexible participation

Online or in-person at a location that suits your practice.
