

*Every doctor remembers
the people who helped
them become one*

YOUR EXPERIENCE *Their future*

Help inspire and mentor the next generation of doctors through Gold Coast Primary Health Network's Clinical Placements Program.

Why participate?

- Shape the next generation of doctors and strengthen healthcare locally
- Choose from set placement dates
- Access dedicated support and teaching resources
- Receive financial recognition through Teaching PIP payments
- Share your expertise and build a lasting professional legacy

Ready to inspire? Scan to register your interest.

Do you qualify?

- GPs must be registered as a Specialist GP with AHPRA with no restrictions.
- The practice must be accredited against the RACGP guidelines (or in the process of obtaining accreditation).
- The practice must be registered for the Practice Incentive Payment (PIP) scheme with Services Australia to receive a \$200 per session payment for supervising students.
- Supervision can be shared by multiple GPs in one clinic.
