Join the GoldNet Education and Research Network and Healthy North Coast for an evening on emerging infections, travel health and yellow fever vaccination in general practice.

Emerging Infectious Diseases and Travel Medicine

Co-hosted by GoldNet & Healthy North Coast PHN

Register via Eventbrite

TUE 10 NOV

6 PM - 8 PM (NSW)
5 PM - 7 PM (QLD)

LEARNING, DEVELOPMENT AND RESEARCH CENTRE, TWEED VALLEY HOSPITAL.

This is a free event, and we welcome GPs, GP registrars, practice nurses, practice managers, hospital staff, allied health professionals, researchers and other primary care clinicians.

Infectious disease risks for travellers are changing, and primary care is often the first stop for patients before and after a trip. Join the GoldNet Research and Education Network and Healthy North Coast for a **free, in-person evening update** on travel medicine in general practice, with light refreshments and time to talk with the presenters and local colleagues.

WHEN	**Tuesday 10 November** 6:00 – 8:00 pm NSW time (5:00 – 7:00 pm QLD)
WHERE	**Ground floor auditorium, Learning, Development and Research Centre, Tweed Valley Hospital**
WHO	GPs, GP registrars, practice nurses, practice managers, hospital staff, allied health professionals, researchers and other primary care clinicians.
COST	Free, registration required

WHAT YOU WILL HEAR

Emerging Infectious Diseases and Travel

How the patterns of risk for travellers are changing, focusing on **dengue fever, Japanese encephalitis and rabies**, and what this means for advice and care before and after travel.

Prof Nick Zwar
GP of over 30 years, Executive Dean of Health Sciences and Medicine at Bond University, and Chair, RACGP Travel Medicine Specific Interest Network.

Yellow Fever Vaccination Updates

Who needs yellow fever vaccination, **exemptions**, and how to become an **accredited yellow fever vaccinator**.

Dr Kirsten Patterson
Local GP with special interest and training in travel medicine, and a member of Healthy North Coast's clinical advisory group.

PROGRAM (NSW time, QLD time in brackets)

6:00 pm (5:00 pm)	Registration and light refreshments
6:30 pm (5:30 pm)	Welcome, presentations and open Q&A
8:00 pm (7:00 pm)	Event ends
